Habitat for Humanity

Habitat for Humanity of Kosciusko County brings people together to build homes, communities and hope.

Because families gain stability, security and safety when they are homeowners, each Habitat family puts in hours of work to qualify for the program, making sacrifices, changing old habits and learning to become more self-sufficient.

God extends hope to all through his son, Jesus Christ. Habitat extends hope to local families who are struggling to gain traction in their lives.

Please pray:

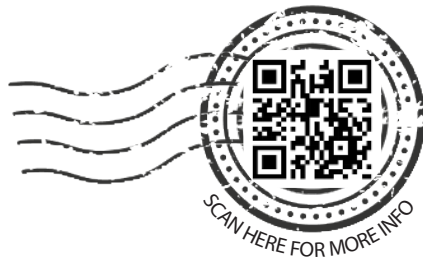

- *That homeowners, past and present, will come to faith or be strengthened in their current faith.*

The couple began working with the organization in fall 2022, teaching English to immigrants and refugees settling in Fort Wayne and helping them navigate American culture.

The couple feels blessed to be developing friendships with the people they serve and to be learning about other cultures and values. They also hope others realize the importance of building relationships with internationals and see the potential for missions in their neighborhoods and cities.

- *For God's discernment for staff and volunteers who are managing the influx of refugees who need help.*

World Compassion Network

World Compassion Network is a familiar friend to WCC. Many members of the church body get their first taste of international missions by going on a WCN-sponsored trip to Honduras.

Josh Grill, Sandy Hatcher, Greg Rauen, Tyler Snow and Joe Wilkey are currently serving with WCN, responding to natural disasters, such as earthquakes, floods, hurricanes, tornadoes and tsunamis, as well as providing relief in war-torn areas and refugee camps. WCN is currently planting and supporting churches in El Progreso, Honduras.

Please pray:

- That God will give the team wisdom as it partners with churches to bring relief to people affected by both natural and man-made disasters in the U.S. and worldwide.
- That the Family-2-Family relief boxes will enable numerous churches to join WCN's compassion ministry.
- That God will guide the team as it continues to support WCN's pastors and the partner churches in Honduras.
