Dan and Carmen Hale

Iranians have become increasingly disillusioned with Islam. The political, economic and spiritual situation in Iran has resulted in a deep spiritual hunger for truth. Despite the oppressive Islamic regime, Iranians today are seen as the most open Muslim people to the Gospel in the world.

As part of Elam Ministries—whose vision is that the Iranian people would come to know Christ, follow Him and share their faith with other Muslims—Dan and Carmen, who are based in Texas, equip and encourage Iranian church leaders and provide Christian broadcasting and resources for the church in Iran.

Please pray:

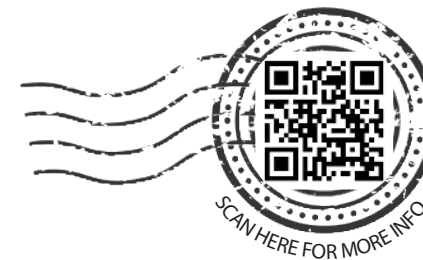

- *That God softens the hearts of the many Iranians turning away from Islam and searching for the true God.*
- *For traveling mercies for the team and that the ministry is fruitful.*
- *That God will further bless Elam's work in Afghanistan. Requests for Bibles has increased tenfold since the Taliban takeover.*

Roger and Karen Reyes

As the Humanity and Hope United Foundation seeks to make sustainable changes in the villages it serves in Honduras, it has become evident that a Christ-centered church in each village is a critical part of the puzzle.

Roger and Karen Reyes not only grew up in similar villages, they have selflessly taught and preached God's Word in the villages through their work with Humanity and Hope for several years. WCC partners with Roger and Karen in their church-planting ministry in the villages of La Coroza and Remolino.

Shayne and Leda Shelburne

Leda Shelburne was following God's call when she founded Media 7 International in 2001, the largest Albanian Christian radio network in the Balkan region. Today, more than 20 years after the fall of communism, the Albanian church is comprised of less than 0.5% of the population in a country that is 70% Muslim.

Media 7 stations offer evangelistic and spiritual growth materials developed by the ministry. Stations sometimes use clandestine methods to deliver the resources because of the threat of persecution.

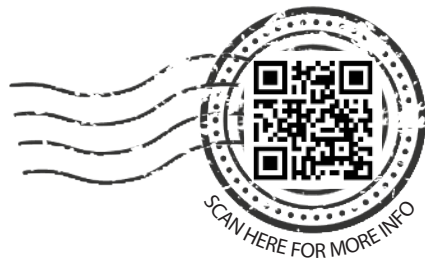

Please pray:

- *That God will grow the reach of Christian media in different European countries so more unreached people will hear the Gospel.*
- *That more widows and their families served by the ministry will meet Jesus.*
- *That God will protect the staff and listeners in areas hostile to the Gospel.*

Clark and Mary Kay Shepherd

When Clark Shepherd was in Haiti in 2010 with World Compassion Network responding to relief efforts from the devastating earthquake, he was shocked at the number of children who had no access to food, education, shelter or the Gospel. Clark returned to Haiti a few years later and learned the situation had not changed, that's when he realized he was the one being called to help.

Clark founded Allowing Christ to Shine (ACTS) to bring much-needed resources, as well as spiritual awareness and comfort, to the children of Haiti.

Please pray:

- *That God uses ACTS in mighty ways to share Jesus with Haitian churches and communities.*
- *That the ACTS concert ministry leads the community and all who attend to Jesus.*
- *That food, supplies, books and Bibles are safely delivered to people in need in Haiti.*
